

I am giving you my e-book free until March 30, 2020!

***Hello Again!***

**Don't you love free stuff?**

In light of the recent events in the world, and knowing most of us are cooped up and not by choice, I have decided to thank my readers by offering you a free e-book!

Some of you may already know that not only do I run and blog at 15 Acre Homestead, but I also blog over at [annielewellyn.com](http://annielewellyn.com). On that site, I offer a complete manual for time management that guides you step by step to create the life you have always wanted and deserved.

I thought that since most of us are stuck at home, we have the extra time to reflect on our current life situation and maybe even think about making some

changes. That's where the book comes in.

**Interested? Well here is how you can get the book for free...**

Reply to this email and let me know what you are doing to pass the time at home during these trying times. When I receive your email, I will send you a link to download my book for free.

Then next week, watch for another email from me! I will include your activities and ideas so we can all benefit from it. Easy Peasy!

## ***Other Ways To Pass The Time***

**Here are some other ways to pass the time:**

I hope and pray for you and your family to stay safe and healthy throughout this stressful time!
